Four Plus One

By Greg Estep, KE6VTA

One of the new (?) ideas of modern management is called Four Plus One. The four plus part is four positives. Here are my four pluses for the Mount Diablo Radio Club.

1. Our Members — We have a very diverse group of members and talents. We take on many challenges and meet those challenges while having a lot of fun. Someone is always willing to pitch in and get the job done.
2. Our Repeaters — Our repeater system is a community resource that serves the Bay Area. Mt. Diablo covers more people than any other location in North America and our repeater is able to serve those people. It was the members of the club that banded together to keep our repeater on this facility.
3. Our Carrier — Just let me complement Wayne Merryman for the excellent job he does putting this monthly newsletter together. Thanks also to Richard Shappee, Jay Caldis, John Stuart, and all of the submitters to the Carrier.
4. PACIFICON — Without MDARC there would be no PACIFICON. There are over 100 people that work on this the largest convention in the west.

PACIFICON is a jewel and I thank every one of the volunteers for their help.

Well, that is the Four Plus. The One stands for the one negative that MDARC needs to work on.

Here is my one minus.

Involvement of more people in the club processes. We often keep coming back to the same people over and over. We have over 400 people that we can draw on and we need you to consider being one of those people. Let me know if you are interested or better yet show up to the MDARC meetings and see where you can help.

MDARC General Meeting Minutes, June 16, 2000

The meeting was called to order by President Greg Estep, KE6VTA, at 7:55 p.m. to allow time for the VE's to finish.

Pete, KE6ZIW, announced the public service events, especially for June 24 and July 4.

Lauren, WA6CIE, reminded the group that more hands were needed for Field Day. Unfortunately the park is charging for all vehicles, and no dogs are allowed on the site.

George, WB6OFH, reminded all about the picnic on July 22 from 10 to 3.

Sam, KO6JR, announced two new members from the VE session. He noted that next week had been designated Amateur Radio Week by the Board of Supervisors, and that they specifically acknowledged ARES/RACES and Y2K work.

Pete, KE6ZIW, distributed Pacificon brochures.

John, KR6CR, noted the drawing prizes. At 8:10 p.m. the evening's speaker, Cal

Groom, KE6OEH, presented an interesting video and discussion about SATURN, the Salvation Army's emergency services network.

Respectfully submitted,

Paul Dickey, N6JOX, Sect'y
